

KONSERVATORIET DANCEWEAR REQUIREMENTS:

2010-2011

- Except for Pointe Shoes & a few "stock items", *Konservatoriet will not be placing Student Dancewear Orders* this year. Pointe Shoes will continue to be ordered & fitted by the Director unless student has permission to self-order.
- **Ordering Resources (below) listed.** Not all "discount suppliers" found on the web are reputable: the ones listed here have excellent professional reputations & have been vetted by Konservatoriet.
- It is important to order **ONLY** the dancewear listed: substitutions are acceptable **ONLY** with prior studio agreement.. **Most dancewear** is easily located at Patterson's Back Bay Dancewear, (which also has our uniforms listed on-site). Patterson's (and most other suppliers) can order whatever may be out of stock, or on "backorder" for you.
- Most Classes/Courses require specific **CLASS UNIFORMS** (specific leotard, tights, shoes). CLASS UNIFORMS are listed by Class/Course below.
- Dancewear Item (style #), Required Color, available sizes & approximate price are given.
- **Students are expected to be wearing their Required Uniforms by October 19, 2010.** This "deadline" allows six weeks from opening week of classes, in which to get your dancewear. Please remember that it sometimes takes a couple of weeks to receive your order. Occasionally there will be a manufacturing delay: this is *not* the fault of your supplier; your item will be "back-ordered" & shipped to you ASAP. **EARLY ORDERING AVOIDS DELAYS!**
- Please **DO NOT** allow students to use/wear dancewear before your Teacher has checked the fit (especially shoes!) Ballet & Jazz shoes are **NOT** fitted the same as street shoes: they can **NOT** be returned/exchanged if appearing worn in any way. Keep the original packaging for possible returns/exchanges, also. *WHEN IN DOUBT - ASK! Both Konservatoriet & the dancewear store will be happy to advise.*

ALL UNIFORM ITEMS have been carefully selected, considering quality, price, durability, and dancer's needs and sensitivities.

PATTERSON'S BACK BAY DANCEWEAR 1-800-554-2340 / backbaydancewear.com (Terrific! Will have/order all items @ discount)

Patterson's has online order forms and also phone orders (ask for Ashley if possible!) Contrary to online information, it is *not* necessary to order "two of a size & color" of certain Motionwear Leotards! Konservatoriet has worked with Patterson's for many years & now that Patterson's has included us in their website School Dress Codes (just click on it!), it is easy to order just what you need!
