

## **Important Information on Danskin Orders**

**Danskin** has reported that many of their products are unavailable while they re-locate and re-structure their organization.

We will continue to offer Danskin products while our stock allows. ***But please be aware that many items, colors, and sizes listed on our website may not be available.*** You will be notified if an item that you order is not in stock or available from Danskin.

***Please select brands other than Danskin during this transition period.***
