

Distant Dimensions Tours

Once each year Distant Dimensions offers a travel/study tour for educators and other interested persons along "the road less-traveled." Local cultures, history, and ever-varying landscapes combine to create for Distant Dimensions travelers a rich kaleidoscope of memories.

Distant Dimension tours offer the maximum in travel value. Each is organized and led by author, educator, and geographer Dorothy Drummond and is guided by knowledgeable local experts.

Past destinations:

- Namibia – 2008
- India – 2007
- Turkey – 2006
- The Galapagos Islands – 2004
- Peru – 2004
- Australia – 1993, 1996, 1998, 2000, 2002
- New Zealand – 1993, 1997, 2002, 2003
