**Cabinet Refinishing  
Faux Design  
Interior Painting**

You don't have to re-face or replace to get kitchen cabinets that look this good. Wet Paint Inc. can make it look like you did. With our state-of-the-art finishing technique, we deliver a factory show-room caliber finish to your wood and formica kitchen cabinets for about 1/3 the cost. Even if replacing the door or drawer fronts is necessary, we can offer the same 1/3 reduced rate. So, you not only save on the work, but you improve the look of your kitchen while increasing the value of your home. Not a bad combination.
