

You are invited to join us...

The Longville Lakes Arts Alliance (LLAA) is in its third year in the Longville Lakes area. The mission of its members is *to create an environment in the Longville Lakes Area where the arts flourish.*

LLAA extends its membership to artists, crafters and supporters of the arts / crafts including: fine artists, sculptors, carvers, sketch artists, oil painters, musicians, songwriters, theatrical performers, photographers, film/video artists, illustrators, graffiti artists, digital artists, poets, performance artists, and other artist crafters.

If you live, visit or summer in the Longville Lakes area and express your creative side artistically, or support and encourage those who do, there are many ways for you to participate.

Maybe you're an artist or crafter who would like to share the fruits of your creative endeavors with the public at LLAA's "Imagine That! Arts & Crafts Studio" in the "Gallery of New Creations" building in downtown Longville. Or you're an area business owner with space to exhibit art. Maybe you'd like to host a house concert or volunteer at area events. Maybe you'd like to join as a supporting member, knowing that your contribution will be used to plan arts events and help create a thriving arts community in the Longville Lakes area...or maybe you'd like to underwrite a specific event.

As a growing alliance of artists, art/craft enthusiasts and crafters, together we can accomplish anything!
