

Our Year of Celebration to commemorate the 100th Anniversary of the Boy Scouts of America officially kicks off here in the Old Hickory Council with a call for every unit to be a part of our

“Day of Camping”

September 18th & 19th, 2009

We’d like for every community in the council to see a visible reminder that Scouting is alive and well and contributing in a positive way to the quality of life wherever Scouts live and meet

Boy Scout troops and Venture crews are asked to organize an overnight campout on September 18th & 19th either at their charter partner’s facility, or at a prominent location within their community, and Cub Scout packs are asked to join their affiliate troop on Saturday, September 19th to jointly conduct a small scale service project to benefit their charter partner or community

This will be a great way to start our year of celebration activities and a wonderful opportunity to show-off Scouting and reacquaint our communities with the best youth program in the world!

As soon as you know if and where you’ll be camping that weekend please send in the form below so the council marketing committee can alert local media outlets

Yes, we’ll be a part of the official kick-off to the Year of Celebration 100th BSA Anniversary activities by camping or participating in a service project on September 18th and/or 19th, 2009!
