▼ Rookie Class and TaG Senior may be subject to weight changes periodically throughout the year. (3/6/07)

1. In order for a class to run, a minimum of 4 karts must be entered. If less than 4 karts are entered in an event and the karters wish to race, they will be placed and run with a similar class. The only exceptions to this are Kid Karts (who run timed events of 5 minute duration), the Rookie Class and Senior Novice Yamaha. (3/6/07)

2. All 2-cycle participants must run spec fuel as prescribed by OVKA.

3. All 2-cycle participants, except Kid Karts and shifters, must use the spec fuel with (4) ounces of Burrell Castor and (4) ounces of Burrell Blend per gallon of fuel. Kid karts are required to purchase pre-mixed fuel from OVKA on race day. (5/4/04)

4. All shifter kart's oil, when mixed with fuel, must read between -50 and -80 on the Digatron meter when that meter is set to -80 using cyclohexane. (2/3/04)

5. All tires are to be Dunlop SL-4 unless noted.

6. Class entry fees for members are \$30 for first entry; \$25 for each class thereafter. Non-member entry fees are \$35 for first entry and \$30 for each class thereafter. (3/6/07)

7. Kid Karts and Rookie Class will not receive points. Senior Novice Yamaha will have points maintained for tracking purposes only. All race and year-end awards and/or prizes will be based on participation.
