The Por La Gente Association of Racine has announced the selection of David Dominguese and Melissa Villareal as the recipients of the Por La Gente athletic and academic scholarships. Both will receive scholarship awards of \$500.

He ran cross-country and track for Horlick High School and was selected All-Conference, All-County and All-State in track. He was a member of both the two-mile and four-mile relays for the Rebels. He also received recognition in cross-country by being named to both the All-Conference and All-County cross-country teams.

He plans to attend the University of Wisconsin-Oshkosh and major in education and science.

Outside of school, she is involved with the youth group of St. Paul's Lutheran Church. She helps with paper drives and food drives to benefit the needy. She has also written and delivered sermons.
