

How you can help the driver.

- Please do not talk to the drivers while they are driving.
- Be ready fifteen minutes early.
- Shoppers should not have more bags than they can carry. Limit: we suggest three bags or less each week.
- Please do not save seats.
- Please do not ask anyone to move from a seat.
- Please no eating or drinking.
- Remember to thank your driver. Portsmouth is a very busy place, which makes driving a stressful job. Please let the drivers know how much you appreciate their help.

Our buses travel from the senior citizen's homes, bringing them to the Senior Center, to medical appointments, the rehabilitation center, nutrition sites, shopping assistance and whatever is deemed necessary for the participants of the program.

The handicapped accessible buses, equipped with hydraulic lifts and wheelchair stations, are available to all residents of Portsmouth who are seniors or have disabilities.

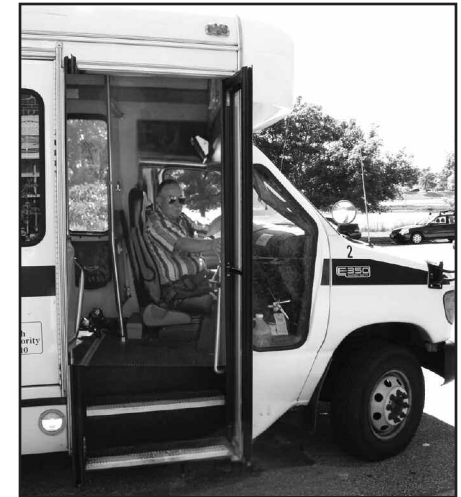

Thank you for your support.

Transportation is very expensive. Your participation in the bus pass system helps support this program. We are always looking for ways to raise additional funds.

Health professionals and area businesses are encouraged to lend their support with donations or through advertising.
