

SPECIAL MID-WINTER PROMOTION

Diamond Crystal® GREENMELT™ Ice Melting Compound

FEATURES:

- Works to 0°F/-18°C.
- Green-tinted for easy-to-see coverage on ice and packed snow
- Formulated for minimal to no staining when used as directed. To avoid residual discoloration on concrete, do not over-apply, remove melted snow and ice promptly. Any mild, residual discoloration should fade away naturally within several weeks.
- Faster melting: contains a blend of sodium, potassium, and magnesium chlorides for quick-start action.
- No oily residue.

Any Quantity - \$7.25 per bag!

**Full skid load of 50 lb. bags \$7.25 / bag
(49 bags per skid)**

**Half skid load of 50 lb. bags \$7.25 / bag
(25 bags per skid)**
