"Sharing Our Blessings, Building Our Future" Campaign

This is...

Recruitment Weekend!

Today during Mass, Rev. Michael Oenbrink explained the need we have for volunteers to help us during our Capital Campaign. The "*Sharing Our Blessings, Building Our Future*" Campaign is designed so that all can offer their time, talent & treasure to St. Francis by the Sea Catholic Church. Volunteers are needed for mailings, phone calls, and preparation for receptions. Everyone has the opportunity to contribute to St. Francis by the Sea parish. Some of us may be "called" to offer our talents that we have been given as well. **We need your help!** Please fill out a volunteer card and place it in the collection basket today! You can also return it to the Campaign Office located next to Sister Kathleen's office. We are asking all volunteers to consider donating 5-15 hours of their time during the months of March, April, and May to this important project. However, even if you can only donate a few hours, your time is needed and appreciated. The more people we have involved, the easier our task will be! Please give your most sincere consideration to Rev. Oenbrink's request.

This is indeed an exciting time in the life of our parish and school. We are trying to create our future together through words and action. Let's get momentum started in our parish and also pray that our Campaign is successful. Everyone needs to put their hands to the plow and work sincerely to grow our future and expand God's Kingdom.

Invitations to a campaign reception will be mailed to every registered family at St. Francis by the Sea and St. Francis School. If you are not sure if you are registered please contact the parish office. Please return the RSVP as soon as possible so that we may adequately prepare for your attendance. Families who attend a reception will be able to pick up their personalized campaign materials, learn about the campaign, and the role we all can play to help complete our vision.

Thank you in advance for prayerfully considering donating a few hours of your time for the good of St. Francis by the Sea Catholic Church and St. Francis School.

If you have any questions about the details of our campaign or if you would like to volunteer, please call the Campaign Director, Connor Savage, at 843-681-6350.
