Sharing Our Blessings, Building Our Future

St. Francis by the Sea Commitment Weekend is here!

All parish and school families have been provided with the Campaign information necessary to make a commitment to this endeavor. You are now asked to return your Pledge Card in the Offertory this weekend. Please participate in this project!

Only through the giving of each parish and school family will we be truly successful. We ask that families make an equal sacrifice... not necessarily an equal pledge. What some families can give, others cannot. Give what is right for your financial situation, but give from the heart! Remember, we are not just raising money...

we are building our future!

***Sharing Our Blessings, Building
Our Future Campaign Table***

In the back of the church today parishioners will find the Campaign Table to pick up a brochure and pledge card. Please stop by and get your questions answered as well.

***"But I, with a song of thanksgiving,
will sacrifice to you.
What I have vowed I will make good.
Salvation comes from the Lord."
Jonah 2:9***
