The name of our group is Friends of God ("FOG"). We currently have 8 members (3 couples and 2 singles).

We meet weekly, usually Wednesday afternoons.

Friends of God was formed in 1998 with three couples as a study/discussion/fellowship group. We have always been open to visitors, inviting them to 'come and see'. When they do, many wish to join us permanently.

Our most meaningful study was The Purpose Driven Life which really broadened our vision of SCC. We also discuss the gospel reading for the upcoming Sunday to increase our appreciation of its message. We study other books, videos, tapes and scriptural readings as we are led.

As we grow together, we share our lives with each other, celebrating milestones and helping carry one another's burdens. Our understanding of SCC has grown over the years to include the essential elements of Worship, Fellowship, Discipleship, Ministry, and Evangelism.
