

Arc Spring 2009 *DISCOVERY DAYS*

Arc Youth Discovery Days are for special education students age 6 –12. These well supervised activities offer the student's unique opportunities while providing their families respite.

All activities require reservations. Space for each activity is limited! All Activities are on a first come first serve basis. Please call 943-1191 today to ensure your child reservation. Reservations will not be accepted after the event is full or 3 days prior. All activities have event minimums and limits. If we do not have enough participants registered we will cancel that particular activity. Siblings aged 6-12 are welcome to attend at the regular cost IF there is space available.

All activities require payment. Each activity has our regular fee or a HCBS fee. The lower HCBS fee can be used only by those students who have The Arc and Discovery Days on their HCBS plan of care. If the HCBS fee is paid and we are informed that your child is not HCBS eligible for Discovery Days you will be asked to reimburse the Arc the remaining fee. If you have any questions as to if The Arc is on your child's plan of care please call your case manager.

All participants who require 1:3 or higher Staffing will need to pay the appropriate staffing fee if HCBS is not allocated for an event

The Arc reserves the right to limit participation on certain activities.

Please call 943-1191 if you wish your child to attend any of the following activities:
