What The Arc Means To Me!

What impact has The Arc had on your life, the life of your family and the lives of those you love? What do you or would you tell someone who is in need of services or supports? What does the Arc mean to you?

- ✎ The Arc has meant hours of fun and socialization for our handicapped child. They offer useful information on programs, etc. to deal with “the systems” in regards to trusts, regulations, etc.
- ✎ It means when I am at the end of my rope, I have an understanding and helpful shoulder to lean on.
- ✎ The Arc has given me and my family a larger “family” to belong to. We really enjoy the events that are held year round, overnight and fundraisers. We meet loving and enthusiastic people and are glad we “belong”.
- ✎ If there is a place here in Wichita where angels gather and prayers are answered it has to be The Arc. I learned what “respite” means and great case management is – Arc, thank you for making our lives and our children’s lives be the BEST they can BE!
