

SkinFitness now offers Lash and Brow Tinting.

If you've always wanted to have 'mascara optional' eyelashes and 'no need to darken' brows, this is service for you! With one quick SkinFitness appointment, you can cut your morning grooming routine to just minutes.

The lash and/or brow tint usually lasts 3-5 weeks. The more often the service is performed, the more readily the hair absorbs the tint. Many colors are available including Deep Black, Deep Blue-Black, Darker Brown, Lighter Brown, Auburn and Graphite. Colors can be blended to find the exact right shade for you.

If time is scarce in your morning routine, then this inexpensive service is for you! Lash Tint is \$20; Brows only \$18; the combined service is \$35. Each service takes only 15 minutes. If you plan to workout, please schedule your workout and shower prior to your tint appointment.

If you are considering this exciting lash and brow tint service but have questions, please email Sandy at SkinFitnessTAC@comcast.net or call 757-8559.

All SkinFitness services are available for members and non-members, and appointments can be scheduled at the front desk or by calling 757-8559.
